Venture into the lucrative world of grant writing and get a handle on grant writing fundamentals. This challenging 8-week course will guide you through working on a grant relevant to your professional or personal interests and will teach you how to find and interpret grants, discern the data you need, and help you prepare your initial proposal, letter of intent, and outline. Organizations can never have too many people skilled at finding and applying for grants! This course involves time outside of class for homework involving research and writing assignments.
