Are You Interested in an Internship?

Roxbury Community College has established an internship program for students hoping to complement their education with real world experience. An Internship is a wonderful way to add to your skills, decide if this is the right career field for you, make a valuable addition to your resume, and it can open the door to a job offer.

Why Consider an Internship?

- Gain work experience in a professional environment
- Develop relevant experience to include on a resume
- Establish a professional network of contacts & references
- Test tentative career choices
- Receive mentoring
- Make your academic studies more relevant

Interested in learning more about an internship?
