A serious illness can be financially devastating to any family. ### NEW Accident Plan:

If you're already familiar with Aflac's accident plan, it is back and better than ever. The benefit amounts have increased, and the premiums are the same! Not only that, but the plan now **pays a wellness benefit of \$60 a year, for each person covered.** For the initial roll out only, the policy is effective on the date you

sign the application, with no premiums due until January!! It's free coverage for 2 months!
