

# ALERT!

**At 1:00 pm on Wednesday, Sept. 28, 2022, the college will perform a test of its emergency notification system – RAVE.**

- **IF YOU RECEIVE THE TEST MESSAGE** on the device that you wish to receive these messages then you are all set and you do not need to do anything.
- **IF YOU DO NOT RECEIVE THE ALERT** or if the alert is not going to the phone/email device that you need to receive them then you will need to go to the Rave site and enter/up-date your information.

Go to [www.getrave.com/login/rcc](http://www.getrave.com/login/rcc) or [www.rcc.mass.edu/alerts](http://www.rcc.mass.edu/alerts). Please note, your Rave username is your RCC email address!

- z **If you are new to Rave** then click **REGISTER** on the login page and follow the instructions. Note, if you are receiving alerts then you already have an account.
- z **If you already have a Rave account** and want to update your information then type in your Rave username and password, then click **LOG IN**.
- z **If you do not know your password**, type in your username (RCC email address) and click “forgot your password?” Then follow the directions to reset your password.

Contact the ITS Helpdesk if you have any difficulties.
