

# GOOGLE PROJECT MANAGEMENT CERTIFICATION

\*All on campus and hybrid courses require Covid-19 vaccination\*

## IGNITE A CAREER IN PROJECT MANAGEMENT!

This 48-hour program is designed in collaboration with Google and Jobs for the Future (JFF) to help learners gain the skills and credentials they need to launch a Project Management career. Students will attend the instructor-led classes and work independently on the self-paced platform, Coursera. Students who successfully complete the program will be awarded with a **Google Certificate in Project Management**, an industry-recognized credential, and receive access to a network of employers for job opportunities. The certificate includes six Coursera courses:

- Foundations of Project Management
- Project Initiation: Starting a Successful Project
- Project Planning: Putting It All Together
- Project Execution: Running the Project
- Agile Project Management
- Capstone:
  - Applying Project Management in the Real World

## WHAT DO PROJECT MANAGERS DO?

Project Managers generally plan, organize, and manage the completion of a project, while ensuring that it is delivered on time, on budget, and within scope. Project Management exists across many industries, which often tailors specific projects handled and day-to-day duties. (bls.gov)

## JOB OUTLOOK

The Bureau of Labor and Statistics identifies the following industries as having the highest levels of employment for Project Managers:

- Computer Systems Designs
- Architectural, Engineering
- Management, Scientific, and Technical Consulting
- Management of Companies & Enterprises (bls.gov)

## SALARY

Massachusetts is one of the top-paying states of Project Managers, with an **hourly average wage of \$51.93** and an **annual average wage \$108,010**. (bls.gov)

## CERTIFICATION

Graduates of this course will receive a **Google Project Management Certificate** and will be eligible to sit for the **Project Management Professional (PMP) Certification Exam**.
