PROGRAM DETAILS

AREA OF CONCENTRATION PREPARATION FOR TRANSFER

Program Overview

Donna Brunelli, *Chair Science Division*
Science 51
301-784-5246
<https://www.rcc.mass.edu/biology>

This transfer pattern is designed for students planning to transfer to a four-year degree program with a major in biology or in a pre-professional area such as pre-medicine, pre-pharmacy, pre-veterinary medicine or pre-dentistry. The transfer pattern provides all the basic science, mathematics, and general studies transfer courses that are required during the first two years of a general four-year program. The general studies listed below should be coordinated with transfer requirements at the four-year institution and adjusted accordingly, when necessary.

This is a transfer program and is designed to enable students to transfer to a four-year college or university. Check with your advisor and the Advising Center staff as soon as possible to ensure specific course transferability. Successful completion of this program qualifies a student to apply for an Associate of Science degree in Arts and Sciences - Area of Concentration in Biology.

* Depends on transfer institution. Consult advisor.

¹ Arts and Humanities elective must be from two different disciplines.

² Social and Behavioral Science elective must be from two different disciplines.

NOTE: All courses specifically identified by course number are graduation requirements for this program.

Course Requirements

Required Science Courses

BMT-210
QA-111 *test* *test*
ENG-225 *or* *or*
HLT-158
HUM-141

Required General Courses

HUM-142 *or* *or*
HUM-173
LAN-104 *or* *or*
LAN-103
SCI-201
SSI-202

*ENG-103 or Arts and Humanities Elective - Depends on transfer institution. Consult advisor.

Required Elective Courses

Please consult with your advisor or the Advising Center staff for selecting appropriate **elective courses** for graduation.

Arts and Humanities Elective - 3 credits

Elective - 2 credits

Laboratory Science Elective - 4 credits

Social and Behavioral Science Elective - 3 credits
