

CANVAS

CANVAS

Canvas is Roxbury Community College's official Learning Management System (LMS) used to deliver all current course content, materials, and communications. All online, hybrid, and web-enhanced courses use Canvas.

Through Canvas, students can:

- Access course materials and syllabi
- Submit assignments and complete assessments
- Participate in course discussions and communicate with instructors
- View feedback, grades, and track academic progress

To access Canvas, visit <https://rcc.instructure.com> and log in using your RCC username and password.

Mobile Access: Canvas is also accessible through the free **Canvas Student** app, available on iOS and Android.

Note: Canvas is used for all course delivery. MyRCC (Jenzabar) is no longer used as a learning platform but remains the student portal for registration, financial aid, and personal information.
