REPEATED COURSES

REPEATED COURSES

Students may qualify for financial aid for repeated coursework. For most programs, the Financial Aid Office can count repeated coursework in students' enrollment status for financial aid purposes as long as (1) the student has not yet earned credit for that course, or (2) it is the student's first attempt to retake the course following the student having previously earned credit. In other words, once a student receives a grade in a class (A through D-), he or she can only get financial aid for that class one more time if he or she needs to repeat it. Some programs at Roxbury Community College follow different eligibility rules, and students may not qualify for repeat coursework even under the conditions above. Those programs are: Nursing and Radiologic Technology.
