HIGH SCHOOL STUDENTS

RCC encourages high school students to explore the College's academic resources through programs that cater to their needs and interests. Participating high school students have the opportunity to consider RCC as their ladder towards achieving future intellectual and professional goals. The following programs launch high school students into higher educational learning:

Dual Enrollment

The Dual Enrollment Program relies on state appropriations each semester. Roxbury Community College accepts applications for the Dual Enrollment Program for the fall, spring and summer semesters. This is a great opportunity for students to earn college credits, while simultaneously earning credits towards their high school diploma. This program also offers students the opportunity to develop their academic experience and career opportunities without paying tuition and fees.

Students must have a minimum GPA of 2.5 to be accepted into the program.

Chapter 74 Secondary Post Secondary Cvte Linkage

RCC welcomes Boston Public high school students in Chapter 74 programs. High school students receive college credit for courses completed in approved Chapter 74 programs. Please bring your BPS transcript to the Enrollment Center when completing the RCC application.
