RETURNED PAYMENTS

RETURNED PAYMENTS

Any declined payment by any financial institution of a check or web payment (ACH) issued to Roxbury Community College may result in the assessment of a $25.00 returned payment service charge in addition to repaying the original amount. If this occurs, all future payments to Roxbury Community College must be made with guaranteed funds (credit card, cashier's check, or money order). Personal checks will not be accepted.

Students will be placed on hold until the payment and fees have been paid in full and will not be permitted to register for future semesters.
