II. Requirements and Terms:

Bay State College and Roxbury Community College agree that any RCC student who has earned an Associate's degree may transfer the credits towards a Bachelor's degree at BSC. The Bachelor's degree graduation requirements for students who follow this articulation agreement are as follows:

A. Students who have completed an Associate's Degree (minimum of sixty credits) and who have not been subject to disciplinary action at RCC will need to meet the following acceptance criteria in order to be accepted to BSC with the following requirements:

- A student must hold a cumulative average of 2.3 or above; the student must submit a letter of recommendation if the current GPA is below 2.5.

Transfer student applicants who do not meet these criteria will be evaluated individually.

B. A grade of C, (2.0 on a 4.0 scale), or better is required for a course to be transferred to BSC.

C. Under this agreement, Roxbury Community College students are required to complete a minimum of 31 credits at BSC in order to complete the BS in Management or the BS in Information Technology. BSC will take up to 90 credits of transfer credits. Students must meet all listed requirements for the relevant Bachelor's degree at Bay State College, as detailed in the program-specific Flow Sheets and Advising Guides developed jointly between BSC & RCC.

D. A student must comply with the individual program requirements and BSC policies and procedures that are in effect at the time of enrollment.

E. Students under this agreement receive equal consideration with others seeking financial aid as long as they qualify. Students under this agreement are also eligible to apply for BSC's scholarships.

F. BSC and RCC agree to communicate any curriculum changes and policies which affect the agreed upon relationship. Both parties reserve the right to amend or revise by mutual consent in writing this agreement or to change curriculum, whenever feasible. BSC will designate an official who will be responsible for all aspects of the articulation program at BSC. RCC will designate an individual responsible for all aspects of this agreement at RCC.

G. BSC and Roxbury Community College will review this agreement every year and adjust or amend this agreement as deemed appropriate to maintain the integrity of each institution as well as for the improvement of the transfer process and student articulation.

H. The two institutions further agree to communicate respective publics of the established relationships. This may include informational sessions on the campus of Roxbury Community College.

I. Either BSC or RCC may terminate the agreement by notifying the other party in writing at any time. Should the agreement be terminated, any Roxbury Community College student who has enrolled through this articulation program prior to termination will be allowed to complete the program within a five-year period of time consistent with all policies and procedures of BSC.

J. This articulation agreement does not preclude BSC or RCC from entering into similar agreements with other institutions of higher education.

K. This agreement is effective on the date of signatures by both institutions.
