Spanish for Beginners

Have you ever thought about learning Spanish? Take the first step with our beginner’s level Spanish course to be able to communicate in a variety of situations. Whether you’re interested in learning basic Spanish for work, travel, or leisure, our course helps you reinforce your new skills with classes meeting twice a week.

The basics of Spanish grammar, pronunciation, and vocabulary will be covered with the focus being on applicable, everyday language to help you engage in conversation. Our immersive classes are designed to be interactive and student-centered. Students who have taken this course and wish to return are welcome and will be challenged with more difficult assignments.

Instructor Highlight: Carlos Cruz is a native Spanish-speaker from Puerto Rico and has over twenty years of experience teaching Spanish. His teaching experience includes Roxbury Community College, Northeastern University, Cambridge Center for Adult Education, Boston Center for Adult Education, and Boston Public Schools.
