Emmanuel College  
And  
Roxbury Community College

Based on the mutual concerns for the needs of students pursuing the Bachelor of Science Degree in Nursing, and in an effort to provide a seamless mobility program that builds on prior learning, the following are agreements to which we mutually subscribe.

- Students who have fulfilled the learning outcome objectives and have successfully completed graduation requirements within Roxbury Community College for an Associate Degree in Nursing can transfer up to 96 credits, including 40 credits awarded for an Associate Degree in Nursing. Please see the attached blueprint outlining the courses that will transfer in and courses students would need to take.

- Applicants for credit transfer must submit an Emmanuel College Application Form, transcripts from associate degree and all other accredited programs attended, and evidence of current Massachusetts RN licensure.

- The Roxbury Community College Nursing Program agrees to notify the Emmanuel College Department of Nursing of any significant curricular changes during the time of the agreement. In instances where significant changes have been made, Emmanuel College will initiate a review of the curriculum to ascertain the validity of transfer credit.

- The mobility agreement is retroactive to the original date of enactment between Roxbury Community College and Emmanuel College.

- This mobility agreement will remain in effect until December 31, 2025.

- The mobility agreement may be terminated or renegotiated at the request of either institution. However, due protection must be given to students previously enrolled, under the terms of the original agreement, at either institution.

- This agreement will be considered void in the event that the participating program is no longer accredited.

Signed in good faith by the representatives of Roxbury Community College and Emmanuel College who agree to the terms herein.

William Leonard, PhD  
Vice President for Academic Affairs and Dean  
Emmanuel College

Date 11/7/17
Roxbury Community College Associate Degree in Nursing (ADN) Program

At Emmanuel College earn your BSN degree in as few as 16 months and for as little as $14,528.

- Hybrid seven week class sessions with only four face-to-face classes.
- Focus on one class at a time.
- Abridged application and acceptance process (application fee waived)

About Our BSN Curriculum:
We accept up to 96 transfer credits, including 40 credits awarded for your Associate Degree.

Our Academic Advisors will work with you to determine transfer credits, prior to applying if you like, including advice on the College-Level Examination Program (CLEP exam) to assess prior learning.
