

LEADERSHIP

BECOME A STRONGER LEADER!

At the end of this course, students will learn not only what makes a great leader, but how a person's attributes and skills can affect their leadership abilities. Students will also address the roles of problem-solving and planning in the scope of leadership and define the role supervision plays in leadership (and vice versa). This course is designed for entry-level employees and small business owners.

*ALL IN-PERSON CLASSES REQUIRE COVID-19 VACCINATION
