Dear RCC Students,

We write to you with an update on the College’s planning for this semester in light of the evolving COVID-19 situation. As we have expressed in the past, we are focused on ensuring the health and safety of our students, faculty, and staff, and on the successful completion of the spring semester. To that end, we are extending spring break for another week.

Spring Break starts March 16 and ends March 28, 2020

During the break, faculty and staff members will be working on plans to move to remote learning and remote student services should we need to do so. We will also be conducting a sanitizing cleaning of the facilities and determining ways to create the social distancing advised.

You can help us by completing this survey: https://www.surveymonkey.com/r/X5XWSHY. This information will be used as we develop solutions.

More information will be shared by your instructor via email or MyRCC (for help, contact the IT department at 857-707-1555).

RCC will continue to monitor and track this evolving public health situation and follow the guidance of local, state, and national health agencies. Remember that you can view COVID-19 information from the College at rcc.mass.edu/coronavirus; this page also includes links to up-to-date information from the MA Department of Public Health and the CDC.

Please email COVID-19@rcc.mass.edu if you have any questions or concerns about COVID-19. We will ensure that your questions are answered promptly and accurately.

You should continue to follow the guidance issued on March 5th regarding prevention and care.

Please continue to take care of yourself and others. Your wellbeing remains our top priority.

Sincerely,

Andres A. Oroz, Ph.D.
Associate Vice President, Student Life
Bldg. 3, Suite 201
