

Attachment A

Additional Terms and Conditions of the Articulation Agreement

1. Northeastern University will consider qualified applicants from Roxbury Community College for the College of Arts Media and Design (CAMD), College of Science (COS), College of Social Science and Humanities (CSSH), D'Amore-McKim School of Business (DMSB) excluding International Business major, and College of Professional Studies (CPS).
2. To be considered for CAMD, COS, CSSH and DMSB, students must:
 - a. Successfully complete stated prerequisite courses (see appendix A-Transfer Prerequisite Coursework) through Roxbury Community College and earn a B or better in each of these prerequisite courses.
 - b. Successfully complete the associates' degree at Roxbury Community College and earn a cumulative G.P.A. of 3.4.
 - c. Submit a completed common application and required supporting credentials to Northeastern University by the posted semester entry deadline.
 - d. In addition, individuals whose first language is not English must submit one of the approved English Proficiency Exam report (Internet Based TOEFL (ibt) or International English Language Testing System (IELTS), Cambridge English Language Assessment (CELA), Pearson Test of English (PTE) and meet the scores determined by the NU Office of Undergraduate Admissions.
 - e. At its discretion, Northeastern will evaluate courses with a grade of C or better for transfer credit. Courses designated remedial or developmental are non-transferable. Liberal art courses completed more than 10 years ago or math/science course completed 5 years ago will not be considered for credit.
3. To be considered for CPS, students must:
 - f. Successfully complete stated prerequisite courses (see appendix A- Transfer Prerequisite Coursework) through Roxbury Community College and earn a C or better in each of these prerequisite courses.
 - g. Successfully complete the associate degree at Roxbury Community College and earn a minimum cumulative G.P.A. of 2.5.
 - h. Submit a completed online application and required supporting credentials to the College of Professional Studies by the posted term entry deadline.
 - i. At its discretion, Northeastern will evaluate courses with a grade of C or better for transfer credit. Courses designated remedial or developmental are non-transferable. Liberal art courses completed more than 10 year ago or math/science course completed 5 years ago will not be considered for credit.
4. Northeastern University reserves the right to rescind an offer of acceptance if student is no longer considered in good academic standing or disciplinary sanctions occur between the times of acceptance to matriculation.

Appendix A

Recommended Transfer Prerequisite Coursework

College of Arts, Media and Design

College of Science

College of Social Sciences and Humanities

Freshman English

Calculus or higher

Natural Science with lab

Social Science

Humanities

Foreign Language (*BA students*)

Bouvé College of Health Sciences

School of Nursing

Freshman English

Anatomy & Physiology I, II with lab

Chemistry with lab

Microbiology with lab

Mathematical Thinking or Calculus or
higher

Nutrition

Foundations of Psychology

Pharmacy (PharmD)

Freshman English

Chemistry I, II with lab

Biology I, II with lab

Calculus or higher

Intro to Psychology

Health Sciences

Freshman English

Anatomy & Physiology I, II with lab

Intro to Psychology

Calculus or higher

Biology I, II with lab

Chemistry I, II with lab

Speech-Language Pathology and Audiology

Freshman English

Anatomy & Physiology I, II with lab

Developmental Psychology

Calculus or higher

Natural Science with lab

D'Amore-McKim School of Business

Business Administration (*strongly recommended*)

Freshman English

Calculus at the college level (*strongly
recommend*)

Business Statistics

Macroeconomics

Microeconomics

Natural Science with lab (*not
recommended for BSIB*)

Humanities (*not recommended for BSIB*)

International Business

Language (*Intermediate level required*)

College of Computer and Information Science

Freshman English

Calculus I (*required*)

Natural Science with lab

College of Engineering

Freshman English (*strongly recommend*)

Calculus I (*required – level should be for
Engineering /Science majors*)

Physics I (*strongly recommend – level
should be calculus based*)

Chemistry I (*strongly recommend*)
