1. **Call to order**

   Chairman Tompkins called the meeting to order.

2. **Approval of Minutes**

   ACTION: Amended Minutes Board of Trustees meeting 4.30.19 - APPROVED
   ACTION: Minutes 6.25.19 - APPROVED

3. **Report of the President**

   Dr. Roberson presented an update on the approval status of the Nursing Program. New Nursing Director was approved by BORN in July 2019. The pre-application for reinstatement has been submitted. 100% students who completed the new Nursing curriculum passed the NCLEX-RX. This demonstrates that the curriculum changes the college initiated provided a positive result. Transition plans for students were developed with local colleges and universities who agreed to open admissions to accept eligible students. We identified more seats than students who were interested. The Board will be asked to approve a refund policy for students.

   The College implemented organizational changes with the beginning of the Fall 2019 semester. The Office of Institutional Effectiveness was created as a result of recommendations from the NECHE site visit in spring 2019. Workforce programs will be incorporated into college procedures from admission and registration. This organizational change creates administrative efficiencies, improves policy compliance and enables flexibility in credit and non-credit programming.
4. **Report of the Chairman**

ACTION: Resolution to defer Committee Assignments – APPROVED

Chair Tompkins summarized his conversations with external constituencies regarding the college. Chair Tompkins stated his confidence in the quality of the college while acknowledging there are issues that should be corrected. Chair Tompkins stated his commitment to working collaboratively with the community. He stated that the college administration and the board of trustees were in place and committed to the college success. He expressed the hope that community members would be open to this dialog and work together. Public comments would be moved to the end of the board meetings so that members of the community would be present to hear the reports. Chair Tompkins noted the progress of the college over the years, and stated that the only way the college will move forward is with input from the community.

5. **Report of the Student Trustee**

Student trustee Fantasia James reported complaints from students regarding interaction with faculty. Students did not feel safe, or comfortable disagreeing with faculty in class. Trustee James shared a personal experience. Trustee James placed a suggestion box for students in the library so that students may share issues confidentially.

Chair Tompkins supported Trustee James in her efforts to facilitate communication with students, and expressed his commitment to providing a safe, accountable, transparent learning environment.

Trustee Culliton offered some suggestions as to student outreach techniques.
